

# MYP policies

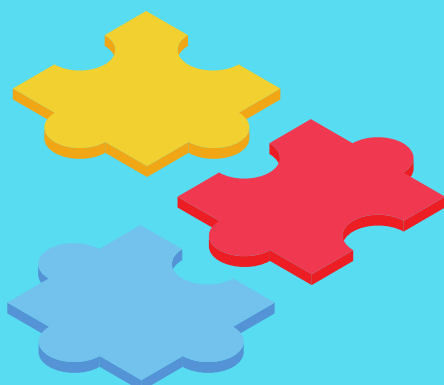

## ACCESS AND INCLUSION

- Equal access to and equity in learning and teaching, and the validity and value of assessment
- Access arrangements to reduce barriers

## LANGUAGE

- Language philosophy reflects the interests of the entire school community
- learning languages contributes to the development of international mindedness

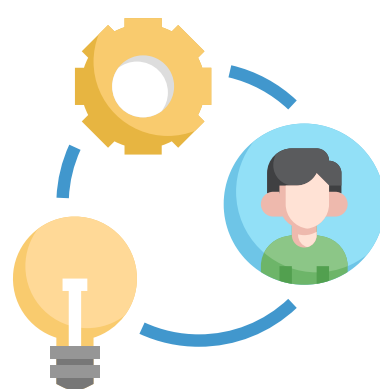

## INCLUSION

- increasing access and engagements
- removing barriers in learning, teaching, and assessment

## FLEXIBLE ASSESSMENT

- builds the ability to apply thinking to new situations, stimulates learning of skills of the 21st century
- ensure a high level of academic rigor and inform about learning, teaching, and creative professionalism of teachers

## ACADEMIC INTEGRITY

A safe and encouraging learning environment to explore ideas supports academically honest behavior and makes knowledge, understanding, and thinking transparent.
